64th World Statistics Congress - WSC

Director of Statistical Office, Mr. Miroslav Pejovic, participated in the 64th World Statistics Congress – WSC held in Ottawa, Canada, 16-20 July 2023.

The Congress represents an international leading event in area of statistics and science which is organized every second year by International Statistical Institute (ISI).

WSC is recognized by comprehensive contents, large possibilities for expanding statistical network, fast learning, share of knowledge, as well as creating new opportunities for cooperation. Prominent participants of this Congress (international statisticians, academics, business leaders, thought-leaders, discussed both current and future topics, over 200 premium sessions and meetings which shape statistics and data science.

Disinformation, policies about artificial intelligence, climate changes and inequality are problems we face today, and topics of this year WSC.
