## **A conference was held in Skopje on the occasion of the presentation of the results of the census**

On the occasion of the publication of data from the Census of Population, Households and Dwellings, conducted in 2021, the Statistical Office of North Macedonia organized a conference on March 30, 2022 in Skopje.

The delegation of Montenegro was led by the director of the Statistical Office, Miroslav Pejović, and the delegation included:

- Snežana Remiković, acting assistant director for the Department of Social Statistics and Demography,
- Branka Šušić Radovanović, MA, assistant director for the Sector for Macroeconomic Statistics, National Accounts and Prices.

The conference was attended by directors of National Statistics from the region and individual countries of the European Union. In the first part of the ceremony, a ceremonial awarding of recognition was held to all the partners of the National Statistical Institute who contributed to the implementation of the census in North Macedonia after 30 years.
