RELEASE 74/2023

Preliminary data

Arrivals and overnight stays in collective accommodation

April 2023

In Montenegro in April 2023, in collective accommodation¹ (hotels, vacation facilities, boarding houses, motels, tourist resorts, hostels etc.), tourists realised 112 560 arrivals, and 305 836 overnight stays.

Overnight stays of foreign tourists represent 88.5% while the domestic tourists represent 11.5% of all overnight stays in collective accommodation.

Concerning the structure of overnight stays by types of resorts in April 2023 the most of them were recorded in seaside resorts (86.5%), capital (8.7%), other resorts (2.9%) and mountain resorts (1.9%).

Graph 2. Tourists overnights, in thous.

Note: The data of the individual, so-called "private accommodation" (rented accommodation in houses, rooms and apartments) will be processed and published annually since 2018, according to the Annual Plan of Official Statistics.

¹ Collective accommodation establishments include hotels, camping sites, tourist resorts, vacation facilities, boarding houses, motels, etc. Collective accommodation establishments do not include individual, so-called "private accommodation" (rented accommodation in houses, rooms, and apartments).

METHODOLOGICAL NOTES

Data on tourist traffic in collective accommodation (number of arrivals and overnight stays) have been collected by regular Monthly report on tourists arrivals and overnight stays in the collective accommodation establishments (form TU-11). Reports are made according to guest books which are led by reception of collective accommodation establishments (all types of hotels, vacation facilities, boarding houses, motels, tourist resorts, hostels. etc.). Collective accommodation establishments do not include individual, so-called "private accommodation" (rented accommodation in houses, rooms and apartments).

Tourist is a person who spends at least one night in an accommodation facility or some other object for accommodation of tourist, in a place other than his/her place of permanent residence for the reasons of rest or recreation, health, studies, sports, religion, family, business, public missions or meetings. Tourists do not include migrants, border workers, diplomats, member of military forces in the regular duty, refugees, etc. Tourists are not persons who stays longer than 12 consecutive months in place visited, persons engaged in some activity funded from the place of the visit, persons who regularly, daily and weekly travel to the place for work or study, migrants, border workers, diplomatic and consular representatives, refugees, displaced persons, persons in transit who do not formally enter the country, permanent residents who travel to another place with the intention to reside there permanently, people who are temporarily working in Montenegro and receive a salary for their work.

Domestic tourist is a person with permanent residence in Montenegro who temporarily resides in any place of Montenegro, and spends at least one night in accommodation facility.

Foreign tourist is a person with permanent residence outside Montenegro, who temporarily resides in any place in Montenegro, and spends at least one night in an accommodation facility.

The last published data are considered preliminary, and becomes final within the defined deadline, as forseen by the Statistical Release Calendar.

When using data please name the source: "Data source: Statistical Office of Montenegro"

More information, as well as detailed methodological explanations can be found in the section: Tourism
