METHODOLOGICAL EXPLANATIONS

The statistical survey covered all primary schools for adult education that work in accordance with the program of Ministry of Education.

Schools for adults' education provide possibility to persons over 15 years (adults) who are not regularly attending primary school, to acquire elementary education and training.

Adults can complete primary school by either regular attending of school or taking exams. Primary education for adults is organized by grade from I to IX and lasts for four years. Organizationally, these are recognized as separate schools.
