### METHODOLOGICAL EXPLANATIONS

#### Data source and coverage

The data on Restaurants and Hotels are received from the regular quarterly survey, Quarterly Report in Restaurants and Hotels (UG-11). The two-phase stratified sample is used for conducting the survey UG-11. Units within the selection of first phase are municipalities; units under the selection of second phase are Restaurants and Hotels enterprises from the sector I of activity classification - NACE Rev. 2. The stratification is performed in accordance with the main activity.
