--------------	------------------	------------------	-------------	--------------------------	---------------	---------------------	------------------------------

***Monthly statistical review contains both preliminary and final statistical data in line with period they refer to. Preliminary data are marked with (p).**

**** Preliminary data – is calculated and published before final results. It is based on the group of available statistical and administrative data sources. The calculations are subject to corrections after the set of indicators for final calculations are completed.**

***** Final data – is based on a complete set of indicators. It is subject to revisions if changes occur in methodological concepts and definitions, in calculation methods, classifications, legal regulations, etc.**
