METHODOLOGICAL NOTES

The statistical survey covered all primary schools for adult education that work in accordance with the programme of Ministry of Education, Science, Culture, and Sports.

Schools for adult education provide a possibility to persons aged over 15 years (adults) who are not regularly attending primary school, to acquire basic education and training.

Adults can complete primary school either by regular attending of school or taking exams. Primary education for adults is organized by grade from I to IX, and lasts for four years. Organizationally, these are recognized as separate schools.
