METHODOLOCAL NOTES

The data on adults perpetrators of crimes are collected by the regular statistical surveys, on the basis of individual statistical questionnaires filled by competent state prosecutor's offices (basic and high) and competent courts (basic and high). Statistical surveys cover adult perpetrators of crime (including crimes done by unknown perpetrators).

Reported person - known perpetrator is an adult perpetrator of a crime, against whom legal proceedings and preliminary hearings were concluded by a decision according to which: criminal charges are rejected, investigation discontinued, submitted charges - indictment or investigation dismissed. Reported person - an unknown perpetrator is an unknown person against whom the criminal charges have been brought at a public prosecutor's office, but who has not been captured even a year after criminal charges were brought.

Accused person is an adult against whom an indictment, legal charges or a private suit has been brought at a court, and against whom legal proceedings have been conducted and a court decision made according to which private suit has been rejected, proceedings suspended or indictment rejected, acquittal brought, security measures brought without execution of a sentence or a perpetrator is pronounced guilty.

Convicted person is an adult being pronounced guilty and against whom following criminal sanctions have been imposed: punishment, conditional discharge, reprimand and security measures.

Adult perpetrators of a crime are those persons who were 18 or over at the time of committing criminal acts.
