Specialists, masters and doctors science 2009 - 2013

METHODOLOGICAL EXPLANATIONS

The data in this release are a result of regular annual statistical survey.

Statistical activity includes all higher education institutions, both public and private. The data on students enrolled at postgraduate (specialist studies and master studies) and doctoral studies refer to academic year.

Pursuant to the Law on Higher Education, there are three levels of higher education: undergraduate studies (basic studies), postgraduate studies, and doctoral studies.

Postgraduate studies may be organised as: specialist studies and master studies.

Postgraduate specialist studies runs for one study year, i.e. two semesters.

Postgraduate master studies usually runs two study years (1+1), i.e. four semesters after basic, i.e. a year after specialist studies.

Doctoral studies at the University of Montenegro are realised in duration of at least three study years, i.e. six semesters.
