Cinemas in 2013

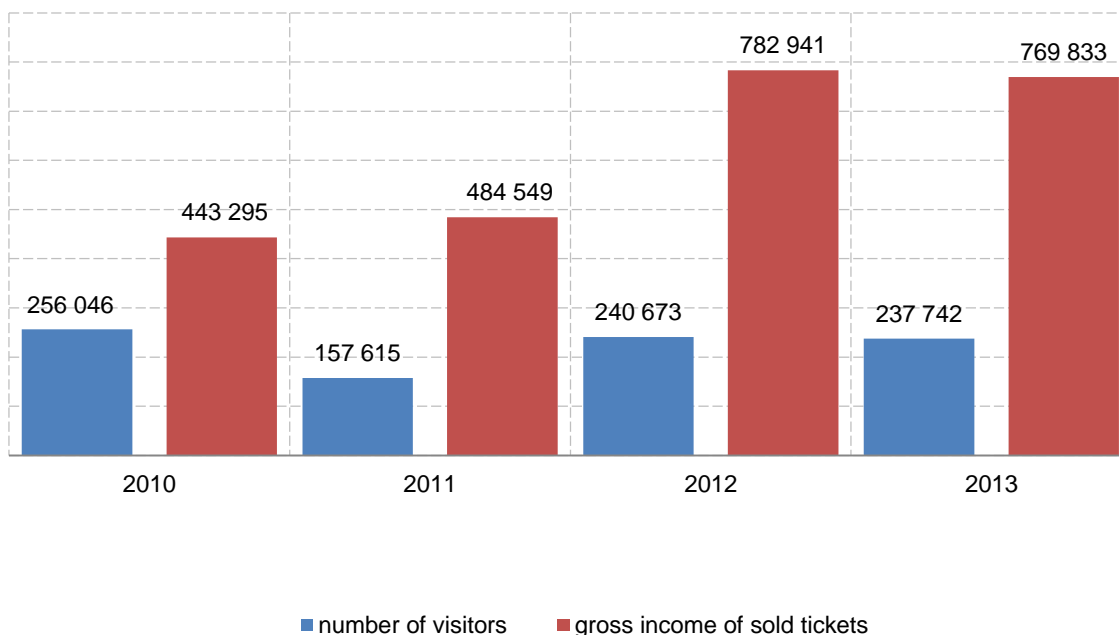

During the year, 7 cinemas were in function in Montenegro. Only one of them working independently, and the rest, within other cultural institutions.

In total, 523 films were shown, 4 short films and 519 feature films, which is for 21.6% more when compared to 2012. Number of cinema visitors decreased for 1.2% in comparison with previous year, when that number was 237 742.

The income generated from cinema shows in 2013 was 769 833€, which is an decrease of 1.7% compared with the year 2012.

Total capacity of cinemas which were displaying cinema plays is 3 237 seats, 28 projectors, 16 of them being produced between 1963 and 1982. Number of employees in cinemas is 49.

Cinemas 2010 - 2013

METHODOLOCAL NOTES

Data in this release are result of statistically processed annual reports provided by institutions involved in public displaying of films. The statistical survey covered all cinemas in Montenegro which were displaying cinema plays in 2013.

The cinema is a hall or open space equipped with devices for public display of films. Organizationally, the cinema can work as an independent institution, or as a part of a cultural, educational or other institution.

- *Permanent cinemas are those which display films in a particular, permanent hall..*
- *Moving (travelling) cinema does not have own hall, but moves from place to place in order to display films in a rented hall or in the open space.*
- *Summer, open-air cinemas show films in open, permanent space.*

Cinema plays are public displays of film programs.
