## METHODOLOGICAL EXPLANATIONS

*Data in this release are result of statistically processed annual reports provided by professional, children's and amateurs' theatres. The statistical survey covered all theatres in Montenegro which were operating in 2013/2014 season.*

*Professional theatre is an autonomous cultural-artistic institution with a professional theatrical troupe. Experimental theatre is also considered as a professional theatre, in case it has a separate administration.*

*Children's theatre is a cultural-artistic institution having regular performances for children, covering also puppet theatres. This does not include radio drama children groups, puppet groups within cultural associations and single children groups performing occasional shows at schools.*

*Amateur theatre is a social cultural-artistic institution with mainly amateur theatrical troupes. Organizationally, it can be an autonomous unit or of a cultural-artistic association, cultural centre or another institution-enterprise.*
