METHODOLOGICAL EXPLANATIONS

The data on adults perpetrators of crimes are collected by the regular statistical surveys. The coverage of crime as a socially negative manifestation is complete, since statistical surveys cover all adult perpetrators of crime (including crimes done by unknown perpetrators).

Reported person - known perpetrator is a perpetrator of a crime, against whom legal proceedings and preliminary hearings were concluded. Reported person - an unknown perpetrator is an unknown person against whom the criminal charges have been brought at a public prosecutor's office, but who has not been captured even a year after criminal charges were brought. Accused person is an adult against whom an indictment, legal charges or a private suit has been brought at a court. Convicted person is an adult being pronounced guilty and against whom following criminal sanctions have been imposed: punishment, conditional discharge, reprimand, security measures, corrective measures, guilty verdict but released from sentence.

Adult perpetrators of a crime are those persons who were 18 or over at the time of committing criminal acts.
