METHODOLOGICAL EXPLANATIONS

Child support beneficiaries

Data in this Release were obtained through the annual report of Ministry of Labour and Social Welfare of Montenegro, and refer to number of beneficiaries, number of children realizing the right to child support and disbursed funds.

Data refer to the average number of holders of rights to child allowance and the average number of children using child benefits. Funds paid on annual basis.

According to the Law on Social and Child Protection entitled to child benefit can be achieved:

- Child allowance beneficiaries;*
- A child with a physical, mental or sensory disability, who can be trained to live and work independently;*
- A child with a physical, mental or sensory disability, which cannot be trained for independent life and work;*
- Children without parental care.*

The child allowance is paid in a monthly amount to the parent or guardian or the person from whom the child was entrusted to the care, education and training.

Allowance for a child without parental care, which is placed in an institution, shall be paid on behalf of a child to an authorized person at the facility and it is used for the needs of the child.

Minor and adult beneficiaries of social protection in 2014

The purpose of survey is to collect the data on beneficiaries of services that are in situation of social needs. The data on social protection beneficiaries are obtained through the statistical reports of centers for social work. They are a result of regular annual statistical surveys. The beneficiaries of social protection are classified in minor and adult beneficiaries.

***Social protection beneficiary** is any person who used, in the reporting year, one or more certain types, measures and services of centers for social work, i.e. social welfare services.*

***Minors** are divided into: those in need due to a family situation, behavioral disorders, mentally and physically challenged and other minor beneficiaries.*

***Adult beneficiaries** are divided into: those with behavioral disorders, mentally and physically challenged adults, economically disadvantaged persons, and other adult users.*
